

FEEDLOT MANAGER

- Fully integrated company
- Great management role
- South West Qld

This is an exciting opportunity to join one of Australia's most impressive integrated agribusiness operations, highly profitable, well respected and continuing to expand their business.

They are currently seeking an experienced feedlot manager for their South West Queensland feedlot. This well established large-scale feedlot has a strong, committed team in place with a true commitment to quality and safety.

As the successful candidate you will have extensive feedlot management experience, with proven skills in leadership and supply chain management within the feedlot sector. You will also be energetic, with a professional, common sense approach and appreciate being part of a larger management team, playing an integral role in the supply of cattle to meet the company's commitments.

Situated close to a strong regional centre, the package includes family-size housing which reflects the importance of this position.
