

LADYSMITH FEEDLOT- MILLING & FEEDING HAND

Ladysmith Feedlot is a 6,500 head capacity feedlot, situated near Wagga Wagga in the NSW Riverina. The feedlot also operates a backgrounding operation along with an AQIS approved quarantine facility. We currently have a permanent full time position available for a Milling and Feeding Hand in our Feeding Team.

Key responsibilities include:

- Processing of grain and commodities for inclusion in rations.
- Loading feed trucks to a specified recipe.
- Feeding rations to pens.
- Operation of plant for pen cleaning and road maintenance.
- Pre start maintenance of plant and machinery.
- Cleanliness of loading and feeding areas.
- Any other duties that may be required by the business.

Ideally the successful candidate will possess the following skills and attributes:

- Demonstrated experience in machinery operation.
- Excellent communication skills and an ability to work in a team environment.
- Good judgement and initiative and the ability to problem solve.
- Basic computer skills.
- Be supportive of OH&S and QA principles.

Applicants should email a Letter of Application addressing the above criteria & Resume including 3 referees to: briana.daly@ladysmith.com.au. For further enquiries please phone (02) 6922 1555.

Applications Close Wednesday 20th January 2016.
