

OPERATIONS MANAGER – WAINUI FEEDLOT

Founded in 1877, The North Australian Pastoral Company (NAPCO) is a leader in Australia's cattle industry, operating 13 cattle stations across Qld and the NT and the Wainui Feedlot on QLD's Darling Downs. With up to 18,000 head of cattle on feed at any time, Wainui Feedlot is an integral part of NAPCO's supply chain and one of Australia's most modern and efficient feedlots.

The extensive operation at Wainui includes a 5,000 hectare farm which is used to produce grain and silage on-site. Rations are also mixed on-site using grain processed through a state of the art steam flaking feed mill. As Operations Manager you will report directly to the General Manager, Feedlot & Farms, and provide leadership to a team of Feeders, Feedlot Hands and Mill Operators. Your extensive and diverse role will include managing feeding operations and maintenance of the feedlot complex and property infrastructure. Your professionalism, accuracy and adherence to Animal Welfare and WHS Policies are paramount, as are your communication skills, teamwork and time management skills.

To be successful in this position you will have:

- Excellent feeding management skills
- Excellent plant and machinery management skills
- Demonstrated staff management skills and strong verbal communications skills
- Sound mechanical skills
- Sound record keeping skills and written communication skills

To apply, please email your Resume and Cover Letter addressing your suitability for this position to info@napco.com.au.

Applications must be received by close of business **Friday 29th January, 2016**

The Wainui Feedlot and Farm is located on the Warrego Highway, between Toowoomba and Dalby

The position is available for an immediate start, some flexibility for notice periods, etc.
