

## Backgrounding Manager Western Darling Down Region

Stanbroke is Australia's foremost vertically integrated beef company with a vision of being the world's best beef supplier. The Stanbroke Group is a unique agricultural business with extensive cattle properties in Northern Queensland, backgrounding operations in Southern Queensland, cattle feedlot, a state of the art beef processing facility and a global beef marketing capability.

We are seeking an energetic self-managed Backgrounding Manager to be responsible for the operation of a number of backgrounding properties located in the Western Darling Downs region of Queensland.

The successful applicant will have extensive knowledge and experience in agricultural property management and backgrounding of cattle.

**The key accountabilities for this position include:**

- Supervision and management of staff and contractors
- Coordination of all livestock movements, including arrivals and dispatch
- Manage the cattle backgrounding program to meet feedlot entry requirements
- Manage and maintain contractual commitments
- Maintaining OH&S and animal welfare standards
- Property maintenance and improvement
- Developing and implementing property management plans
- Budget forecasts and performance reporting

**To be successful in this role, you must be able to demonstrate the following;**

- Ability to manage and work alongside staff
- Excellent organisational and communication skills
- Ability to build and maintain effective working relationships with external parties
- High level of experience in the management of livestock.
- Ability to implement and utilise modern technologies associated in the management of livestock
- Capability to provide regular internal reporting

An attractive remuneration package and married accommodation will be provided with this role.
