

## Backgrounding Livestock Manager Wandoan Area

Stanbroke is Australia's foremost vertically integrated beef company with a vision of being the world's best beef supplier. The Stanbroke Group is a unique agricultural business with extensive cattle properties in Northern Queensland, backgrounding operations in Southern Queensland, cattle feedlot, a state of the art beef processing facility and a global beef marketing capability.

We are seeking an experienced Backgrounding Livestock Manager to be primarily responsible for coordinating livestock activities across a number of backgrounding properties.

The successful applicant, who reports to the Backgrounding Manager, will have extensive knowledge and experience in the management of backgrounding cattle.

### **The key accountabilities for this position include:**

- Day to day supervision and management of staff and contractors
- Coordination of livestock movements
- Day to day management of the backgrounding program
- Oversee property maintenance and improvement
- Maintaining OH&S and animal welfare standards
- All other daily operational requirements

### **To be successful in this role, you must be able to demonstrate the following;**

- Ability to manage and work alongside staff
- Excellent organisational and communication skills
- A high level of experience in the management of livestock
- Capability to provide regular internal reporting

An attractive remuneration package and married accommodation will be provided with this role.
