

HEYTESBURY

CATTLE CO.

Station Manager – Moolooloo – Victoria River Downs District

Heytesbury Cattle Company is one of Australia's largest cattle producers, with over 160,000 head on approximately 2.5 million hectares across the Northern Territory and eastern Kimberley region of WA, employing over 80 people.

Moolooloo runs approximately 8,000 breeders with a total herd over 20,000 head.

Reporting to the General Manager, the successful applicant will have previous experience in a similar role with an emphasis on business management, good communication skills, and the ability to lead and train employees where high standards in OH&S are valued. A sound knowledge is required of herd fertility, animal husbandry and asset management combined with an understanding of grazing systems that are beneficial to rangeland condition.

The successful candidate will be an enthusiastic participant within a larger team, contributing to the overall company performance.

A competitive salary package is offered with the opportunity for the partner to assist in on station management roles.
