

## **Rural Manager – Operations/ Logistics**

*Lead the operations of a long standing family agribusiness delivering livestock management solutions*

- Agricultural manufacturing & logistics business
- Central West NSW
- Generous remuneration package including vehicle and bonus

### DESCRIPTION

This family owned and operated agribusiness has been providing quality customised products and services to the livestock producers of Australia for over 30 years. A leader in the industry of livestock management solutions, their dedication and commitment to quality and customer service is first class. This progressive and profitable company's greatest asset is its staff – a team of dedicated and committed professionals.

### ROLE

As they move into the next growth phase, we are seeking the leadership of a **Rural Manager – Operations/ Logistics** to run the day to day operations of the business. You are a person who has empathy for and understanding of a farmers business, and is focused on delivering outstanding customer service.

### RESPONSIBILITIES

Reporting to and guided by the Management Team, you will have overall responsibility for the Finance, Marketing & Sales as well as the day to day operations of the business.

This includes leading the team to:

- Achieve the business' strategic direction
- Deliver on Sales & optimise Marketing impact
- Coordinate efficient supply chain Operations
- Managing Quality Assurance and WHS

## REQUIREMENTS

To be successful in this leadership role you will be process driven and have:

- Experience in one or more areas of Operations/ Logistics/ Supply chain
- Track record of delivering results in a Management position
- Strong project management, problem solving and analytical skills
- Passion for and experience in the rural industry
- Tertiary qualifications in an agribusiness discipline
- Exceptional customer service, staff management and organisational skills

You are a practical person with common sense. You may be off a farm, likely have strong rural values, and can easily relate to and communicate with farmers. You may be currently working in a manager's role, in a regional centre, running the operations/ logistics/ supply chain for an agri business and would like the opportunity to step up and run a business your way!

## LOCATION

A thriving regional Evocity in the Central West of NSW, Population 41k, ideally located at the intersection of major routes for road, rail and air transport. It offers capital city residents lower cost of living, enhanced lifestyle and more time for your family to enjoy the beautiful natural surrounds.
