

## **General Manager**

- **Kangaroo Island & Fleurieu Peninsula - SA**
- **Outstanding cattle & prime lamb aggregation**
- **Operations poised for significant growth & development**

Operating 13 farms across several geographic locations, this outstanding aggregation comprises more than 30,000 acres including 4,000 Angus breeder cows, 17,000 crossbred ewes as well as a new 1,500 head cattle feedlot and extensive oaten hay production. All of the properties are well developed and in excellent condition turning over in excess of \$5 million in livestock per annum.

The owners are now looking for an energetic, hands-on GM to take the aggregation to the next stage of development in regards to production and marketing. The business has plans for significant growth and diversification through their extensive networks developed both nationally & internationally.

The General Manager will report to the Managing Director, who also resides on Kangaroo Island, and will possess the following:

- A strong track record in property management of a livestock enterprise of comparable proportions
- Hands-on, in-depth cattle and sheep husbandry skills, ideally with exposure to lotfeeding and hay production
- A sound general knowledge of machinery, general farming practices and property upgrades/improvement
- Proven leadership in developing and motivating a strong team of permanent staff (currently 9) and contractors, leading from the front - not the office

Given the future focus of the operation, experience and skills in livestock marketing will be highly advantageous, as will your strong focus on finance and administration. An excellent remuneration package including fully maintained vehicle and newly renovated large house is on offer to the successful candidate.

If you are a highly self motivated, honest and responsible individual who is looking to combine an outstanding career position with lifestyle then this is your opportunity.
