

WAMBO CATTLE COMPANY

FEEDLOT MANAGER

Wambo Feedlot is seeking an experienced and enthusiastic on-site manager for its 12,000 head custom feedlot operation 35 km west of Dalby.

The successful applicant needs to be:

- Proficient in the use of industry standard management and record keeping systems such as Feedlot 3000, Weighbridge and Stockaid software.
- Experienced in the operation and management of procuring and storing commodities, milling, ration formulation, bunk calling, feeding out and pen hygiene.
- Experienced in the implementation of systems to maximise livestock health and performance through calm livestock handling and effective health treatments.
- Good communicator with enjoyable demeanour, able to collaborate with vets, nutritionist, owners and staff and provide positive leadership and staff training.

A modern family residence and vehicle are available as part of the remuneration package.

All applications will be treated in strictest confidence.

Interested applicants should contact David Winders for further information (ph: 0413 122 830 or email: davidwinders@bigpond.com).
