

Feed Mill Leading Hand

Stanbroke Feedlot, Chinchilla

Stanbroke is a family-owned and operated Australian beef business. We are vertically integrated with extensive cattle properties in Northern Queensland, backgrounding operations in Southern Queensland, state of the art cattle feedlot, fully accredited beef processing facility and global beef marketing capabilities.

Stanbroke has a Feed Mill leading hand position available at our Chinchilla Feedlot. This newly created position reports directly to the Mill Manager and assists in providing supervision and guidance to the Feed Mill team to achieve operational requirements.

The successful applicant will preferably have previous feedlot experience and be able to demonstrate the following:

- Strong knowledge of feedlot milling and feeding operations
- The capability to effectively supervise work processes and provide leadership within a team
- Excellent time management skills and an ability to prioritise to meet operational deadlines
- Understanding of QA, OH&S compliance
- Heavy plant and machinery operation including grain processing experience
- Understanding of cattle nutritional requirements
- Good data capture and record keeping skills
- The ability to utilise computer technology within the workplace
- A sound mechanical knowledge

This permanent position will be based on a 10/4 roster. Some accommodation is available.

Applicants must be of clean and sober habits and be self-motivated, reliable, positive and willing to be part of a highly productive team.
