

Livestock Leading Hand

Stanbroke Feedlot, Chinchilla

Stanbroke is a family-owned and operated Australian beef business. We are vertically integrated with extensive cattle properties in Northern Queensland, backgrounding operations in Southern Queensland, state of the art cattle feedlot, fully accredited beef processing facility and global beef marketing capabilities.

Stanbroke has a livestock leading hand position available at our Chinchilla Feedlot. This newly created position reports directly to the Livestock Manager and assists in providing supervision and guidance to the livestock team to achieve operational requirements.

The successful applicant will preferably have previous feedlot experience and be able to demonstrate the following:

- Strong knowledge of working with livestock in a feedlot environment
- The capability to effectively supervise work processes and provide leadership within a team
- Excellent time management skills and an ability to prioritise to meet operational deadlines
- Understanding of QA, OH&S compliance
- An ability to apply low stress stock handling practices
- Maintain high animal welfare standards
- The capability to utilise appropriate technology for data capture and reporting requirements

This permanent position will be on 10/4 roster. Some onsite accommodation is available. Own horses and tack will be of an advantage.

Applicants must be of clean and sober habits and be self motivated, reliable, positive and willing to be part of a highly productive team.
