

Adelaide Plains Feedlot Operations Manager

Adelaide Plains Feedlot is an established cattle feedlot and live export depot located 40 minutes North of Adelaide at Lower Light SA.

A position has become available to join our dynamic team in the role of Operations Manager due to the rapid expansion of our business.

We are seeking an individual who shows professionalism with a high attention to detail and work ethic. The applicant must adhere to Animal Welfare, Company and WHS policies as well as demonstrate strong communication, team work and time management skills.

As operations Manager you will report directly to the General Manager. The ideal applicant will provide leadership to a team of feeders, feedlot hands and livestock personnel. This extensive and diverse role will include feeding operations and the maintenance of the feedlot and property infrastructure.

The successful applicant will have:

- ✓ Strong plant and machinery knowledge and management skills
- ✓ Staff management skills with strong verbal communication skills
- ✓ Demonstrated mechanical skills
- ✓ Strong feeding management skills
- ✓ Sound records keeping and written communication skills
- ✓ Computer literate
