

LADYSMITH FEEDLOT- LIVESTOCK SUPERVISOR

Ladysmith Feedlot is a 6,500 head capacity feedlot, situated near Wagga Wagga in the NSW Riverina. The feedlot also operates a backgrounding operation along with an AQIS approved quarantine facility. We currently have a permanent full time position available for a Livestock Supervisor in our Livestock Team.

Key responsibilities include:

- All aspects of cattle handling from induction of new cattle to dispatch of finished cattle.
- All aspects of animal health and welfare management from pen riding and treatments through to post-mortems.
- Data recording and input for all activities.
- Inventory control and stocktaking of all livestock products.
- Cleaning & maintenance of facilities.
- Any other duties that may be required by the business.
- Leadership of other livestock team members.

Ideally the successful candidate will possess the following skills and attributes:

- Demonstrated experience in livestock management.
- Excellent communication skills and an ability to work in a team environment.
- Good judgement and initiative and the ability to problem solve.
- Sound computer skills.
- Be supportive of OH&S and QA principles.

The successful applicant will be required to provide suitably trained stockhorses and appropriate saddlery, for which an allowance will be paid. Up to 2 working horses can be fully maintained on site.

Applicants should email a Letter of Application addressing the above criteria & Resume including 3 referees to: briana.daly@ladysmith.com.au. For further enquiries please phone (02) 6922 1555.

Applications Close Wednesday 16th of June 2016.
