

STATION HAND

- **Mixed Farming Operation**
 - **Cattle / Sheep**
 - **Dubbo District**

Toongi Pastoral Company is undertaking the development of a 3500ha agricultural enterprise in the Dubbo region – a mixed farming operation focussing on cattle and sheep breeding and fattening. The Company's vision is to develop a highly profitable agricultural business utilising leading practice farming technology.

We are seeking to appoint a well experienced and highly motivated individual with initiative and a preparedness to accept responsibility to support the Farm Manager. We are looking for an individual who has a strong interest and commitment to modern husbandry and farming practices and can enthusiastically contribute to the development of the business.

The appointee will be an individual with 5+ years experience in cattle and sheep enterprises, is committed to applying National Animal Welfare Standards and Livestock Production Assurance practices and is experienced in sustainable pasture systems and rotational grazing. In addition to stock management skills the appointee must be well experienced in infrastructure development (fencing and watering), equipment operation and possesses excellent mechanical skills.

This is an excellent opportunity for a high calibre individual to play a key role in a new business and to develop a career in the industry.

A very attractive remuneration package will be offered to the appointee which will include on farm accommodation. Full details of the package will be discussed at interview.

To apply for this position please forward your resume - setting out full personal details, skills/qualifications and relevant employment history to nwiddison@alkane.com.au
