

Smithfield is a progressive, integrated agricultural organisation located in the South Burnett region of Queensland. Currently running at a capacity of 18,500 SCU we are looking to fill the following position.

Livestock Manager

Key duties and responsibilities include:

- Pen riding and cattle health duties
- Cattle receiving, induction, drafting and exiting
- Record keeping and quality assurance activities

In addition to the general duties above, the Livestock Manager is required to provide leadership and organization in support of the Operations Manager.

The position requires applicants to:

- Be capable of managing a team
- Good work ethic and communication skills
- Have relevant experience with livestock
- Be able to work a roster inclusive of weekends

An attractive remuneration package will be negotiated with successful applicants on the basis of current skills, experience and potential. Start date is negotiable.

Applications detailing ability to meet the above criteria to be forwarded to:

Smithfield Feedlot, Okeden Road, Proston QLD 4613 or Email don@smithfieldcattleco.com Ph 41 689 104. Applications close: 3rd June 2016
