

## Senior Stationhand

ANC Full French Charolais Stud, located at Guluguba QLD, wishes to employ a highly experienced and motivated individual to assist with the operation of the Stud. This is an outstanding opportunity which will provide a long term career and lifestyle where hard work, honesty, commitment and dedication are rewarded.

ANC operates three properties, over two states – in Queensland there is the home block of 5000ac, the site for this position and 27k away 3500ac (calving out 600 breeders), and the NSW country is at Ben Lomond. These picturesque properties are beautifully appointed with quality homesteads, fencing and yards.

Criteria and responsibilities for this diverse and rewarding position include –

- Competence in all aspects of animal welfare and good cattle sense
- AI skills
- Truck licence
- Strong level of ability with two wheeler bike
- Responsible for making feed rations & preparation of sale bulls
- Competent with machinery handling and maintenance
- Bookkeeping
- General farm maintenance incl. fencing and welding
- Monitoring/maintaining of waters

The successful applicant will have a strong interest in, and commitment to, the stud cattle industry and possess a high attention to detail in all areas of work, able to see problems and fix them. The Cass Family is willing to improve the skills of the successful applicant who demonstrates a positive attitude, a strong work ethic, is honest and trustworthy. Applicants can bring a working horse (up to 2) and dog, and must be a non-smoker.

This position would suit a couple as there is work available for someone with excel computer skills, with outside work on occasion. The 3brm family home accommodation (with workshop) provided is 2km away from the local primary school and services. A remuneration package will match the level of skill and experience demonstrated.

Extensive reference checking of the preferred candidate will be undertaken as well as a pre-employment medical (incl drug & alcohol testing) and criminal history verification.
