

Cropping Overseer

- Canowindra NSW
- Large Mixed Farming Operation
- Permanent Full-Time Position

Hassad Australia is a leading Australian agriculture company seeking an experienced Cropping Overseer for their 8,516 ha property property based in Canowindra NSW.

The position will be accountable for organising, supervising and coordinating employees to implement the property's cropping plans in a timely and safe manner. The successful applicant will have strong knowledge in broadacre farming and machinery, and will be highly driven to improve productivity and quality of output. To be considered for this outstanding opportunity you will ideally have the following:

- Minimum of 2-5 years of practical broad acre cropping experience
- Experience with modern John Deere machinery
- Experience with spray operations, programming and monitoring
- Sound use of GPS Greenstar technology
- Current safety certificates including chemcert and HR licence
- Sound mechanical knowledge
- Sound Computer skills including GPS, PAM & Microsoft Office (preferred, but not essential)
- Sound communication skills

The Company will offer an attractive remuneration package including family accommodation to the successful candidate.

If you wish to pursue a rewarding career with a progressive and expanding pastoral company, please forward your application to hr.au@hassad.com.
