

THE COMPANY

Charlton Feedlot is located in north-west Victoria just 2 1/2 hours from Melbourne. This very modern 20,000 head facility serves a key role in the Teys Australia supply chain producing quality beef for the domestic and short-fed export markets. We currently have vacancy for a Feedmill Operator.

THE POSITION

The feedmill operator primarily involves the automated delivery and dispersal of grain feed to cattle and utilises new and innovative equipment to efficiently achieve this process. The position primarily involves the operation of machinery - Feed truck, Front End Loader, Bobcat, and John Deere Tractor. Operation must be conducted in a safe and responsible manner and some knowledge of machinery maintenance is preferred.

All applicants should process the following attributes:-

- Follow safe work methods & follow procedures
- Prepared to undertake training & licensing (internal & external) when required
- Follow all Animal Welfare & husbandry standards
- Basic computer skills
- Ability to work in a Quality assured & environmentally focused workplace
- Be motivated and have a positive attitude.
- The ability to work in a team environment.

A wage package & benefits is offered based on the skill level of the successful applicant, in accordance with site EBA.

Resume, cover letter and references should be submitted to:-
