

**SITUATION VACANT**  
**SENIOR PROPERTY OVERSEER**  
**ANGUS BREEDING / FINISHING**

**UPPER SOUTH EAST – SOUTH AUSTRALIA**

A full time position is available on a 3200 ha beef breeding and finishing property. Reporting to and working in conjunction with the off-site-Farm Manager you will be accountable for the day-to-day management of the property.

Core responsibilities will include:

1. Cattle husbandry and handling
2. Infrastructure management / maintenance (fencing, stock water, buildings)
3. Understanding of dry land lucerne establishment / pasture maintenance / weed control
4. Operation of farm equipment
5. Maintenance of all farm vehicles
6. Direction and supervision of farm contractors and casual labour
7. NLIS Transfer of animals between properties
8. Ability to maintain simple farm records

Applicants need to:

1. Have a demonstrated ability to work un-supervised
2. An ability to use initiative and solve problems as they arise
3. Show good mechanical aptitude and a 'hands on' practical approach to daily working life
4. Prove they are able to plan their time
5. Be happy to communicate with other staff members
6. Hold a Chemical Users Certificate, current driver's and fire arms licence
7. Be computer literate
8. Working dogs would be advantageous

The beef farming property is part of a group of properties that is focused on the highest standards of cattle breeding, pasture and animal health. All properties within this organisation are extremely well designed with excellent farming facilities and capital improvements.

The candidate must be able to work and communicate with members of the organisation and outside stake holders with a 'cheerful disposition'.

This is an excellent opportunity for an interested person seeking to take the next step to be part of a business that is a large supplier of quality cattle in the South Australian market place.

A rewarding remuneration package including a house and a motor vehicle will be offered to the successful applicant. School bus to local school(s) is available.

Expressions of interest are to be emailed to:

Tim Orr [bayeux@bayeux.com.au](mailto:bayeux@bayeux.com.au)

and are to include a cover letter addressing the above position requirements, a CV and 2 current references.

**Position is available for immediate start**
