

Operations Manager Mort & Co Grassdale Feedlot

This is an opportunity to join a leading and expanding Agribusiness. The successful applicant will be integral to driving continuous improvement in operations at Grassdale. Grassdale is located 35km south of Dalby and one hours drive from Toowoomba on the Darling Downs.

The successful applicant shall be positive, energetic and have sound feedlot experience. The Operations Manager shall provide oversight of feedlot livestock and feeding & milling operations. Key responsibilities shall include:

- Work team's coordination and capacity building
- Work standards & outcomes
- Compliance to operational, quality & regulatory requirements
- Operational cost control
- Capital projects implementation
- Work systems continuous improvement

This is a key role within the Grassdale management team. This position is well supported and resourced with future scope for career growth. A salary package commensurate with the position, and the successful applicant's skills and experience will be provided.

We encourage suitable applicants to send letter of application and resume to:

The Feedlot Manager,
Grassdale Feedlot
M/S 35
Dalby QLD 4405

or email to Carl.Greaves@mortco.com.au.

For further information, please contact Carl Greaves on 0427 632 644.

All applications and enquiries shall be treated confidentially.

Applications close 28th August 2016.
