

Farm Manager Position

Oakwood Grazing Company is seeking a highly motivated experienced person for our Certified Organic mixed farming operation near Narrandera NSW. The property's core function is to provide a Certified Organic finishing depot to complement our existing Organic Lamb supply chain by finishing store lambs to kill weight. This will include a mix of grazing, Hay and Silage production as well as some cropping. The operation consists of a mix of dry land, flood and pivot irrigation.

The Manager will be responsible for the day to day operations with the goal of providing the Livestock Manager with the option to place lambs onto feed when required.

The successful applicant will need to have:

- Hay and Silage production knowledge
- Lamb fattening – Livestock handling experience
- Experience in Irrigation management and maintenance.
- Sound knowledge of general farm maintenance
- Confidence to work alone as well as part of a team
- Fencing experience
- Ability to work within a program including documentation and record keeping
- Drivers Licence
- Tertiary Qualification in an Agriculture or Business degree would be beneficial.
- Experience in Organic Farming preferred, but not essential.

With a focus on Safety and quality this role provides an enthusiastic experienced person great opportunities for career advancement within a dynamic integrated supply chain company.

The successful candidate will be offered on property accommodation, suitable for a family as part of their salary package & wages will commensurate with experience.

Please forward your Cover Letter & Resume to hr@oakwoodgrazing.com.au to apply.

Applications close for this position on the 19th August 2016.
