

TENDERS INVITED

Minninup Pastoral Company

Sale by tender - 820 Wagyu F1 weaners

Delivery mid-December 2016 to January 2017

Located – Green Head, Western Australia

Tenders are invited for the sale of 820 mixed-sex 2016 mid-March onwards drop calves.

Expected weight range of 280kg to 320kg live weight.

All calves have been vaccinated with 5-1, B12 and Selenium. They have identification tags.

Numbers may vary by 2% at delivery. Heifers and steers are expected to be 50/50. At this point there are 2% more steers.

Calves will be weaned mid-November and placed in Joanna Plains Feedlot on a light backgrounding ration. Joanna Plains feedlot is located on the Brand highway at Cataby WA, 172km north of Perth.

Sale point will be Joanna Feedlot.

Weaners will be weighed hot less 3% if purchased on a liveweight basis.

Delivery schedule expected would be 50% (410 head) for mid December 2016, the balance in late January, 2017 by negotiation.

Tenders can be submitted for steers and heifers separately or the total consignment.

Tenders can be emailed to:

gneaves@bigpond.net.au or simonbrockman@bigpond.com by Thursday, 2pm WA time, 18th August, 2016.

Results will be notified that day after normal trading checks have been cleared.
