

Rangers Valley Feedlot, on the Northern Tablelands of NSW, specialises in the production of high quality longfed beef. The operation combines a 33,000 head cattle feedlot, backgrounding and farming operation.

Several fulltime positions working on a roster have become available.

### **Feed Crew**

Key duties include, but are not limited to;  
Machinery operation (feed truck, front end loader, bobcat), feed mixing, feed delivery, preventative maintenance, daily servicing, record keeping, and basic hygiene. Experience in any of these areas will be an advantage.

### **Pen Rider**

Key duties include, but are not limited to;  
Pen riding monitoring cattle health, administration of animal health products, cattle handling (foot and horses), processing cattle, cleaning and maintenance of water troughs, computer record keeping, and quality control.

Applicants must be able to competently ride, supply own horses and tack.  
Will suit a person interested in intensive cattle production.

Successful applicants will be motivated self-starters, be able to work within a crew, have the ability to work under instruction and be prepared to work hard.  
Experience is an advantage but a positive attitude is essential.
