

PEN RIDER

Teys Australia Condamine Pty Ltd is offering an opportunity within the Livestock team of our 28,000 head feedlot facility at Condamine. The feedlot is located approximately 28km west of Condamine in the Western Downs region, and we offer excellent facilities for livestock handling and cattle feeding.

Currently an opportunity exists for an **enthusiastic** person to join our progressive team as a Pen Rider.

THE POSITION

Criteria and requirements:

- A minimum of 2 horses suitable for the position and own tack.
- Competent horsemanship and riding skills
- Flexibility to work within a 10 on 4 off roster as per the site EBA.
- Ability to work within a Quality Assured and OH & S environment.
- Prior feedlot experience is preferred but not essential.

The role primarily requires:

- General livestock handling skills including drafting, cutting out, pen riding and moving cattle within the feedlot.
- Diagnosing animal health symptoms with a strong emphasis on animal welfare.
- Administration of animal health treatments
- Maintaining accurate daily records, including data entry and reporting on animal treatments and movements.
- Ability and willingness to learn new skills, training will be provided.
- All horses entering the site must participate in the Hendra and Strangles program as per the Condamine Hendra Policy.

Self-contained single accommodation is available, short distance from the feedlot.

Teys Australia is an equal opportunity employer, all applications are treated with strict confidentiality.

Applications should be forwarded to:
