

## **Station Manager - Kynuna Station**

The North Australian Pastoral Company Pty Limited (NAPCO) is an innovative Australian company that aims for excellence in all areas of its operations. The company runs a herd of approximately 200,000 cattle across a property portfolio of 13 cattle stations and an award winning feedlot covering 5.8 million hectares in Queensland and the Northern Territory.

NAPCO is seeking a Station Manager for its North West Queensland property, Kynuna Station.

Kynuna Station is located adjacent to the township of Kynuna, QLD. Operated in conjunction with Dagworth Station as a finishing property, the properties carry 6 000 steers.

The successful applicant would commence duties in mid-December 2016 and have:-

- strong organisational skills
- experience managing a large scale cattle operation
- outstanding leadership qualities and excellent communication skills
- experience in formulating and administration of operational and capital budgets
- grazing land management skills

**Applications** (resume and covering letter) that address the above criteria and detail previous experience are to be **emailed to** - [info@napco.com.au](mailto:info@napco.com.au)

**prior to** Monday 17th October, 2016.
