

BORE RUNNER & GENERAL MAINTENANCE PERSON

Watervalley Pty Ltd is a large privately-owned sheep and cattle farming enterprise with properties in South Australia and New South Wales.

Frome Downs Station is located in outback SA (300km from Broken Hill and 580km from Adelaide) and runs cattle.

This position entails checking and maintaining stock water, flowing bores and solar pumps with poly lines.

It also involves responsibility for servicing and maintaining the station generators and mobile plants.

The successful applicant will be an enthusiastic, honest, independent person within a larger team and contribute to the overall company performance.

A large family home is provided on the property.

Applications close 29 September 2016
