

Title – Stationhand/farmhand at Macquarie Downs

Report to – Manager

Macquarie Downs is a 8700 ha beef breeding, feedlot and farming property specialising in Wagyu production. We are located approx. 1 hr south west of Toowoomba in the Darling Downs.

We are looking for a motivated farmhand/stationhand with a passion for agriculture that is willing to take ownership of their work.

Duties

Stock work, animal husbandry.

Operation and basic maintenance of loader, bobcat, tractors, property vehicles.

General feedlot and property maintenance.

Previous feedlot/farm experience a bonus.

Requirements

Must be self-motivated and able to work alone as well as in a team.. Must be clean and tidy and take pride in their work. Most staff live on farm so must be able to get along with people.

Current car licence and own vehicle required, HR licence an advantage.

There is rostered weekend work in the feedlot.

Position is permanent and not suited to backpackers.

Remuneration

In return the successful applicant will receive above award wage and benefits (according to experience), training and shared accommodation with meat and power supplied.

Please send resume to anthony.winter@macquariewagyu.com
