

Penriders & Stockpersons

Stanbroke is a family-owned and operated Australian beef business. We are vertically integrated with extensive cattle properties in Northern Queensland, backgrounding operations in Southern Queensland, state of the art cattle feedlot, fully accredited beef processing facility and global beef marketing capabilities.

Currently a position is available within the livestock team at our feedlot, located at Chinchilla on the Western Darling Downs. This position is suited to an appropriately skilled person willing to undertake pen riding and general livestock work, as well as mustering and monitoring of livestock being backgrounded near the feedlot.

Suitable applicants will be able to demonstrate:

- A high level of competency working with livestock generally
- The ability to utilise low-stress livestock handling methods
- Good horsemanship skills
- The capability to perform required animal husbandry procedures
- A good understanding of animal welfare practices, quality assurance and workplace health & safety
- The ability to work in a team environment

Previous feedlot experience would be advantageous but is not essential. Applicants with their own horses, tack and basic computer literacy will be highly regarded in the selection process.

This position involves working a 10 on / 4 off roster. Single person accommodation is available on site for the successful applicant, if required. If you feel you would be suited to this position, we look forward to, and welcome, receiving your application.
