

HEYTESBURY

CATTLE CO.

Assistant Manager – Victoria River Downs

Heytesbury Cattle Company is one of Australia's largest cattle producers, with over 170,000 head on approximately 25,000km² across the Northern Territory and eastern Kimberley region of WA, employing over 80 people.

Located at the iconic Victoria River Downs Station, the property includes Humbert River out-station and combined they run approximately 14,000 breeders with a total herd over 34,000 head covering 4,824km²

Reporting to the Operations Manager, the successful applicant will have previous experience in a similar role and will be self-motivated with a strong work ethic, communicate well with the ability to lead and train employees in station activities to achieve set targets. A high level of cattle and horse handling skills are essential combined with station maintenance and attention to detail with accuracy in recording data.

This is a hands-on role which will see you out in the yards with the stockcamp as well as attending to office duties. A high standard of OH&S values is essential.

A competitive salary package is offered with the opportunity for the partner to assist in on station roles.
