

**BINDAREE BEEF**  
— AUSTRALIA —

## HEAD STOCKPERSON

- Based – Northwest NSW
- Provides Job Stability
- Challenging Opportunity

Acquired by the Bindaree Beef Group (BBG) in 2015, Myola is a modern 20,000 head capacity feedlot situated in northwest NSW. Its location in the heart of the “Golden Triangle” provides excellent access to a secure supply of grain and cattle. Myola is managed by a highly qualified, enthusiastic and dedicated staff, many of which have several years of specialist feedlot experience.

Myola now plays an integral role in the BBG supply chain, ensuring the delivery of a consistent supply of cattle to the Bindaree grain fed brands whilst also continuing its operation as a custom feedlot. Myola’s location, infrastructure and management provides excellent opportunities for cattle producers to retain ownership and add value to their cattle operations.

With continued growth across the Group it is crucial that we recruit an experienced proactive Head Stockperson. This role requires proven leadership to implement continuous improvement initiatives in the areas of workplace health and safety, environmental conditions, people management and livestock performance.

### **What responsibilities will I have?**

- Experience / knowledge with working and processing large mobs of cattle;
- Extensive animal husbandry knowledge and skills;
- High levels of competency on a horse;
- Ability to work with others and enjoy working in a small proactive team;
- Commitment to safety and quality outcomes;
- Professional and proactive approach;
- Excellent communication skills;
- Efficient and productive personnel management and assessment of staff;
- The role will be a key support role to Livestock Manager.

### **To be successful in this role you will have:**

- Minimum 2 years’ proven supervisory experience in a similar role;
- The ability to coach and mentor employees to build a high performing;
- A proven commitment to adherence of all regulatory requirements including WHS and relevant animal welfare standards;
- Strong problem solving skills;
- Computer skills and knowledge - FY3000, Digistar and Stockaid will be essential
- Certificate or degree in Management highly regarded but not essential.

Applicants must be prepared to undertake a full employment functional medical including a drug and alcohol assessment.

This is an opportunity to work with some of the best in the industry! An attractive remuneration, based on skills and experience, will be negotiated with the successful applicant.
