

## **Australian Cattle and Beef Holdings**

### **Dozer Operator**

### **Croydon Station**

ACBH is part of the ACC group which is a fully integrated beef supply chain business supplying beef to the Australian domestic market. ACBH is proudly 100% Australian owned. We run extensive breeding and backgrounding operations for up to 120,000 head of cattle over 6 properties across Queensland.

Our Croydon Station is located 180kms South of Mackay.

Reporting to the Station Manager, the Dozer Operator is expected to possess a can-do approach to day-to-day operations.

To be successful we are seeking an individual that:

- Can operate Caterpillar or Komatsu dozers
- Has experience in earth-work, dam, road, and river crossing repairs
- Can conduct revegetation control
- Can maintain and look after plant and equipment
- Has the ability to work as part of a team and be unsupervised

This is a good opportunity for someone looking to join and grow a career within a successful and well respected industry leader working with a dedicated and committed group of team-minded people.

We offer market competitive remuneration and conditions.

Single male or female air-conditioned accommodation available.

Our facility does not permit pets.

To apply please send an email through to
