

Rangers Valley Feedlot, on the Northern Tablelands of NSW, specialises in the production of high quality longfed beef. The operation combines a 33,000 head cattle feedlot, backgrounding and farming operation.

Several fulltime positions working on a roster have become available.

Operations

This position requires the operation of machinery involved with maintaining feedlot pens, roads and associated infrastructure. Key duties include, but are not limited to;

- Operating front end loaders, bobcat, tipping truck and dog combination
- Basic maintenance of plant
- Yard maintenance
- Basic record keeping

Truck license (HC, MC, HR) is required.

Experience with operating grader and excavator will be an advantage.

Pen Rider

Key duties include, but are not limited to;

Pen riding monitoring cattle health, administration of animal health products, cattle handling (foot and horses), processing cattle, cleaning and maintenance of water troughs, computer record keeping, and quality control.

Applicants must be able to competently ride, supply own horses and tack.

Will suit a person interested in intensive cattle production.

Successful applicants will be motivated self-starters, be able to work within a crew, have the ability to work under instruction and be prepared to work hard.

Experience is an advantage but a positive attitude is essential.
