

Farm Hand – Beef Cattle

- Fulltime Position
- Generous remuneration package including work vehicle and comfortable 2-bedroom cottage

This Angus beef cattle breeding and grazing operation is one of the largest agricultural holdings in the area. It consists of 2 highly productive undulating grazing properties, totaling 4,000 ha in the Central Tablelands of NSW.

The livestock operation consists of 1,700 breeding cows and also a dual-purpose sheep operation. Together they boast productive soils, improved and native pastures, excellent water supply and well maintained fences. The management team is taking the properties to the next level, to become a leading commercial enterprise.

A collaborative, reliable and trustworthy Farm Hand is now required to work closely with the Farm Manager.

Your main responsibilities will include:

- Assisting in the implementation of the farm plan.
- Carrying out animal husbandry tasks and accurate data collection.
- Operating farm machinery for pasture improvement, feed conservation and supplementary feeding.
- Maintenance and improvements of farm equipment and infrastructure.
- Contributing new ideas and working collaboratively as part of a team.

To be successful in this “hands on” role you will:

- Have sound livestock husbandry skills, pasture management skills with a minimum of 2 years’ experience.
- Be organised with high attention to detail and good communication skills.
- Mechanically minded, ability to carry out basic servicing and maintenance of machinery.
- Hold a full driver's license, HR or HC an advantage.
- Capacity to work efficiently unsupervised.

Driven and passionate about agriculture, you may be currently working as a junior farm hand and are ready to further develop your skills and accelerate your career path with an expanding business. Working dogs only, no pig dogs.
