

Overseer Cattle Station

An exciting opportunity has arisen to become part of a family run cattle company, as an Overseer on Minnie Creek Station, located in the Upper Gascoyne, Western Australia.

Central Stockcare is a supplier of cattle for the Grain Fed Domestic Market, the Live Export trade, operates a cattle buying / handling business, to complement Pastoral Holdings in Western Australia. The company has a strong focus on sustainable farming and ensuring we are following the best farm practices.

Minnie Creek Station is undergoing a major infrastructure overhaul with water and fencing upgrades a high priority over the next two years. Reporting directly to the Station Manager, the successful applicant will work in all aspects of the station including; General Livestock handling, monitoring and husbandry; water maintenance, monitoring and development; machinery operation and repairs; repairs and maintenance to the property.

The successful applicant must have; a strong work ethic; a 'can-do' attitude; good communication skills; be honest and reliable; and have the ability to work alone and in a team. The applicant will understand that the nature of agricultural work means that flexibility in work hours is a prerequisite, have at least three years' prior experience with mustering, handling, drafting and branding cattle.

A remuneration package will be negotiated with the successful applicant based on experience and ability. There are work opportunities for a partner plus a two bedroom cottage is available as part of the package.

For a confidential discussion about the position please phone Mitch Underwood 08 99430838 or apply with resume and references to the Station Manager via email minniecreek1@bigpond.com
