

## An Exciting Opportunity in Tamworth

### Domestic Beef Sales and Production Advisor

An exciting opportunity has become available to join the high performing sales and production team at Jack's Creek, a family run and owned vertically integrated beef producer and exporter. Consecutive winners of the World Steak Challenge in 2015 and 2016, as well as being awarded the World's Best Fillet Steak in 2017, Jack's Creek are world renowned for consistently producing high quality Wagyu and Black Angus beef.

- Head office based in Tamworth
- High quality Australian beef processor
- Attractive remuneration package, including domestic and international travel opportunities

The ideal candidate for this role will have experience within the beef industry and be able to add value to the sales and production team. The successful candidate has a unique opportunity to play an integral role in the growth of this dynamic company.

### Duties and Responsibilities

- Domestic sales to current customers
- Identifying new areas of sale and business development
- Provide advice and assistance to the production team both in the Tamworth head office and at the offsite abattoir
- Support to fellow traders and sales team staff

### Qualifications, Skills and Experience

- 1 to 3 years' experience within the beef industry preferable
- Tertiary qualification ideally
- A high attention to detail
- Advanced computer skills
- Excellent communication skills both written and verbal
- A strong work ethic
- Strong time management and problem solving skills
- Motivated to learn and enjoy a challenge of working within a dynamic team environment

The successful candidate must be able to commit to at least 4 weeks training at the abattoir in Casino, NSW and a second office located at the Gold Coast plus hold a current Drivers Licence.

If you meet the above criteria and are up for the challenge then THIS is your role. Apply now in writing with a Cover Letter and Resume to:
