

Northern Livestock & Agriculture is a family owned and operated business located in the NT. We are seeking a station manager for "Providence", located 250km West of Katherine.

The successful applicant will need to demonstrate:

- Hands on experience in farm operations
- Ability to work independently but also in a team during mustering seasons
- Experience in the agricultural industry, leading and managing staff as required
- Good animal husbandry practices
- Experience operating and maintaining farm machinery such as tractors and graders
- Competency in operating bores and pumps
- An enthusiastic attitude to work, motivated, with ability to work to deadlines
- Very good communication and leadership skills
- Ability to show initiative but also follow instructions
- Responsibility for the maintenance and care of all farm equipment and structures on the property

Applicants will ideally have the following credentials:

- Experience of at least two years in property and farming management
- Knowledge and understanding of Beef Cattle production
- Current driver's license

Position would suit couple or young family. A new three - bedroom house is provided with internet and phone plans included.

Salary will be dependent on experience and qualifications.

If you believe you meet the above criteria and want to be a part of an expanding agricultural team, apply now with cover letter, resume and at least two current references to [ruby.downs@bigpond.com](mailto:ruby.downs@bigpond.com) or call Sam for more details on 0405844965.
