

Cattle Station Manager – Maranoa Brigalow Belt, QLD

- Excellent career development opportunity
- Leadership position

Meeleebee Downs Station, 100 km from Roma and 60 km North of Wallumbilla, is a 24,000 ha cattle breeding and fattening property producing for EU and Pasture-fed Certified markets.

The Cattle Manager is responsible for the smooth running of the livestock program and the supervision of support staff. We are looking for applicants with good knowledge of cattle husbandry practices and all aspects of property maintenance.

Responsibilities;

- Liaise with owners to formulate objectives and understand requirements
- Estimate cost and prepare budgets for program components
- Organise workflow to meet specification and deadlines
- Monitor production to resolve issues
- Recruit, supervise and evaluate performance of property staff
- Ensure best quality practices to meet production assurance criteria
- Report to owners

The successful applicant will have:

- Previous experience in the day to day operations of a breeding and fattening cattle manager
- Commitment to maintain set breeding program design
- Demonstrated ability to work cattle using horses and herding dogs
- Effective people management skills with a desire to develop and train your team
- Committed WHS focus
- Preparation of external production and QA program audits
- Excellent cattle husbandry skills
- Good time management and communication skills
- Effective management of station maintenance programs
- Good computer skills and record keeping including timely report preparation and livestock documentation
- Knowledge of performance evaluation and budgeting concepts
- Maintain EU and PCAS certifications
- MLA Database reporting experience
