

HARVEST

— R O A D —

Assistant Farm Manager

The Minderoo Group established Harvest Road based on our belief in Australia's ability to supply sustainable, high quality and ethically grown agri-food products. Harvest Road is currently the largest integrated beef producer and processor in Western Australia supplying major supermarkets and over 40 export markets.

Harvest Road is seeking an experienced Irrigated Farm Leading Hand with an appreciation for rural and remote living to join our team based at Minderoo Station, located on the Ashburton River near Onslow. Minderoo Station has three centre pivots producing fodder and a greenfields horticultural site to be under drip irrigation. The vision is to produce a range of fruit & vegetable crops that can be grown in conjunction with fodder crops.

The Role:

- daily maintenance and operation of water infrastructure, including running a watering program on pivots and drip irrigation
- carry out all aspects of forage and hay production
- carry out operational duties of horticultural production
- adhere to Operational Program and maintain quality records to support adherence
- carry out all farming duties demonstrating a strong commitment to safe work practices at all times
- adhere to quality management requirements

The Person:

- experience in fodder production
- ability to work autonomously
- proven leadership experience
- excellent communication skills
- strong desire to learn to support the further development of Minderoo's Farming Operation

This role provides an excellent opportunity to work in a growing operation while having access to high quality technical backup within the broader business.

Salary range \$80,000 - \$90,000 + super
