

Farm Operator

Dalby Area

Stanbroke is a family-owned and operated Australian beef business. We are vertically integrated with extensive cattle properties in Northern Queensland, backgrounding operations in Southern Queensland, state of the art cattle feedlot, fully accredited beef processing facility and global beef marketing capabilities.

We are seeking an experienced, energetic and hands on farming operator for our cropping and cattle properties located in the Dalby region. The roll will predominantly be responsible for irrigated and dry land crop production, as well as general property maintenance and some occasional livestock work.

The successful candidate will be able to demonstrate the ability to undertake tasks in an autonomous manner and be competent in maintaining appropriate documentation and records.

Requirements for the position include;

- Experience in broad acre cropping
- Capability to operate modern farming equipment
- A strong mechanical knowledge
- Centre pivot and flood irrigation experience
- The ability to undertake general farm maintenance
- Livestock experience
- Commitment to OH&S compliance
- HR truck licence

An attractive remuneration package will be offered commensurate with the applicant's experience. A Well maintained family home located on the property with close access to school bus routes for Primary and Secondary Schools in Dalby will also be provided to the successful candidate.

Applications close 15th of September 2017
