

## **Farmhand Position – ‘Warrie’ Palmers Oaky NSW**

Plowman Pastoral Pty Ltd is a cattle breeding enterprise in the Central Tablelands of NSW that is seeking a part time station hand to assist with general farm duties.

It is envisaged that the successful candidate will have established skills in the following areas;

- Farm fencing, including established fence repairs, erection of new fences and all types of electric fence systems.
- Water system repairs and installations of new pipes and troughs.
- Weed control using a Quickspray unit both handheld application or via boomless jet.
- Safe operation of motorbike, ATV, tractor, chainsaws, & general farm implements is essential.
- Livestock mustering and handling skills preferred.
- Mechanical and welding skills preferred but not essential.

The successful candidate will most likely have at least 3 years experience and is currently in the industry or a similar field, he or she needs to be an independent self starter who is happy with regularly working alone and without direct supervision.

The position is 3 days per week however there may be fulltime work offered at the outset until some milestones have been achieved.

Payment consummate with the candidate's level of experience and the finally agreed up hours will be on offer. Commencement as soon as is possible.
