

Leading Hand

- **Career opportunity with an Industry leader**
- **Fully self-contained cottage accommodation**
- **2 hours south west of Mackay**

Not just jobs...We do careers. From paddock to plate, grow your career with us.

Australian Cattle and Beef Holdings (ACBH), is part of the Australian Country Choice (ACC) Group and is 100% Australian owned and family operated. Together, our properties are vastly located across Queensland, from North West QLD, to Central QLD down to South West QLD and in to the South East. As the world's largest, fully integrated beef supply chain, our operations encompass large scale cattle breeding, backgrounding, feedlotting and our state of the art meat processing and packaging facility based at our Cannon Hill (Brisbane) head office. We're a proud industry leader, producing and supplying highest quality beef products to the Coles Group and export markets.

ACBH run extensive breeding and backgrounding operations for up to 150,000 head of cattle over 6 properties across Queensland. One of these, Iffley Station, situated on 105,000 acres and running 9000 head of cattle and is located 175kms south west of Mackay is seeking an experienced live in leading hand to join their close-knit team. Reporting to the Station Manager, the Leading Hand will be responsible for safely undertaking and supervising a team of 3 station hands in their day to day activities that include:

- Mustering and drafting
- General livestock care and quiet handling
- Allocation of tasks to station hands
- General water maintenance
- General property care and maintenance
- Ensuring strict adherence to Workplace Health and Safety

Possessing excellent horsemanship & cattle handling skills (quiet handling) and ability, the successful candidate will be fit and able to safely undertake the physical aspects of this role. We are seeking a positive, reliable leading hand with a mature outlook with:

- 2 years demonstrated success in a similar position
- Strong communication and interpersonal skills
- Knowledge and understanding of animal health and welfare practices
- Understanding and commitment to workplace safety
- Sound judgement and ability to use their initiative
- Experience with horses and bikes
- Drivers Licence (truck licence an advantage)

Being the world's largest, vertically integrated beef supply chain, ACBH and ACC offer a diverse range of career opportunities. This is an ideal role for a switched on, hardworking, career minded leading hand, who is looking for stability and an opportunity to broaden and develop their skills and agribusiness knowledge with an industry leader. Apply now to join a dedicated, committed and like-minded team and be rewarded with top conditions including competitive salary, beef supplied and fully self-contained 3-bedroom cottage accommodation. Partner and children can be accommodated for the right candidate.
