

LIVESTOCK MANAGER

Hardwick's Meatworks, a family owned multi species processing facility located in the Macedon Ranges Shire, has a great opportunity for an experienced Livestock Manager.

An excellent opportunity exists for an exceptional individual to lead the scheduling of operations across two processing floors.

Reporting to the Plant Manager the successful candidate will need to meet the following requirements:

- Manage end to end site livestock operations & scheduling (beef and smallstock)
- Ensure strict compliance to AMIC & Hardwick's animal welfare standards
- Proven ability to manage a small team with hands on approach.
- Self-motivated and be able to work autonomously in a team environment
- Ability to problem solve in a timely fashion.
- Excellent IT, written, oral and behavioural communication skills
- Work in a fast paced environment
