

HEYTESBURY

CATTLE CO.

Assistant Manager – Victoria River Downs

Heytesbury Cattle Company is one of Australia's largest cattle producers, with over 170,000 head on approximately 25,000km² across the Northern Territory and eastern Kimberley region of WA, employing over 80 people.

Located at Victoria River Downs Station, the property includes Humbert River Outstation and combined they run approximately 14,000 breeders.

Due to an internal transfer, we are seeking an experienced Assistant Manager, who will report directly to the Operations Manager. The successful applicant will have previous experience in a similar role with involvement in a large scale breeder operation. You will be self-motivated with a strong work ethic, communicate well and be a team player. A high level of leadership is essential in directing, motivating and training the Head Stockman to carry out the day to day activities, including herd management, animal husbandry, fencing, infrastructure maintenance, weed and pest management, while also being across the operations at Humbert River Outstation.

Strong attention to detail and accuracy in recording data, a high level of cattle and horse handling skills, along with a focus on safety in the workplace is essential. The ability to preg-test would be highly regarded.

This is a hands-on role which will see you out in the yards as well as attending to office duties.

Offering a competitive salary and career opportunities, this position would suit a working couple, or an individual with experience in the industry.
