

Livestock Overseer.

Epenarra Station, Northern Territory.

An exciting career opportunity is available for an experienced, motivated and energetic Livestock Overseer to join Australian Green Properties based on the Barkly at Epenarra Station. The Livestock Overseer will assist the station manager in all day-to-day activities to ensure optimum productivity of the commercial beef operation.

Responsibilities:

Reporting to the Station Manager, the Overseer will:

- Be responsible for carrying out all livestock husbandry and general welfare practices
- Conduct basic care and maintenance of farm equipment
- Assist in the development of the property through fencing/water and pasture improvement

Qualification/Experience:

- Previous cattle management experience
- Experience with arid land grazing and pastoral management skills
- Be able to work in a team environment and have interpersonal communication skills
- Current Drivers Licence and Certification in ChemCert
- Private Pilot licence an advantage (Company C172)

The ideal candidate will be detail orientated and will demonstrate a progressive approach to livestock management and husbandry.

Salary:

Remuneration package will be negotiated based on skills and experience and will include comfortable living arrangements located on the banks of the Frew River

Start Early 2018
