

HEYTESBURY

CATTLE CO.

Head Stockman – Birrindudu & Mt Sanford Station's

Heytesbury Cattle Company is one of Australia's largest cattle producers, with over 170,000 head on approximately 2.5 million hectares across the Northern Territory and eastern Kimberley region of WA, employing over 80 people.

We are seeking two experienced stockperson's who can demonstrate a high level of leadership to run our Birrindudu and Mt Sanford stock camps.

Birrindudu Station runs approximately 11,000 breeders with a total herd over 27,000 head, covering 6,700km²

Mt Sanford Station runs approximately 8,500 breeders with a total herd over 22,000 head, covering 2,500km²

The successful candidates will be self-motivated with a strong work ethic, communicate well and be a team player. You will lead, motivate and train employees in station activities, including fencing, infrastructure maintenance, animal husbandry and weed and pest management to achieve set targets. Strong attention to detail and accuracy in recording data, a high level of low stress cattle handling skills, along with a focus on safety in the workplace is essential. The ability to pre-test would be highly regarded.

Birrindudu Station operates on motorbikes while Mt Sanford Station uses both motorbikes and horses.

Offering a competitive salary and career opportunities, these positions would suit a working couple or an individual with experience in the industry.
