

Feed Mill Hand

Stanbroke is a family-owned and operated Australian beef business. We are vertically integrated with extensive cattle properties in Northern Queensland, backgrounding operations in Southern Queensland, state of the art cattle feedlot, fully accredited beef processing facility and global beef marketing capabilities.

Currently a position is available within the Feed Mill team at our 30,000 head feedlot, located at Chinchilla on the Western Darling Downs. This position is suited to an appropriately skilled person willing to undertake the operation of heavy plant and machinery with high attention to detail.

The successful applicant will be able to demonstrate;

- An ability to operate heavy plant and machinery
- High attention to detail
- A strong commitment to WHS and QA requirements
- The ability to work in a team environment.

Previous feedlot or operation of heavy plant and machinery experience would be advantageous but is not essential

This position involves working a 10 on / 4 off roster. Single person accommodation is available on site to the successful applicant, if required.

Applications close 29th of December 2017
