

### **KILTO STATION IRRIGATION MANAGER**

Kilto Station is situated 60kms east of Broome and is part of Yeeda Pastoral Company which operates several Pastoral properties and a new Abattoir in the Kimberley. Kilto is currently irrigating 150 ha of pasture for rotational grazing & hay production with plans to expand to 350 ha irrigated and 500 ha dry-land cropping. We are looking for a permanent manager with long term ambitions to secure a future in the north. They will require a hands on approach, good staff management skills & be capable of running & expanding the operation.

#### **Experience/Knowledge :**

- Hay & Fodder production and handling
- Bores/Pumps/Generators general abilities
- General irrigation experience (not essential)
- Mechanical & Workshop Skills, welding etc
- Farming Machinery experience especially hay equipment
- Maintenance record keeping for Production & Machinery
- Some cattle experience an advantage

#### **Position Information**

- Salary package depending on capabilities and experience
- Start Feb 2018
- Furnished cottage included in package

If you are interested in the position and fully fulfil the above requirements, please submit a resume to [jack@yeeda.com.au](mailto:jack@yeeda.com.au)
