

Head Stockpersons Cattle breeding & backgrounding Permanent positions - Various locations

- **Barkly Downs – Mt Isa**
- **Babbiloora Station – Augathella**
- **Brindley Park Property – Roma District**

Australian Country Choice (ACC), together with Australian Cattle and Beef Holdings (ACBH) is a 100% Australian owned and family operated industry leader, producing and supplying highest quality beef products to the local and export markets. Our operations throughout Queensland, encompass large scale cattle breeding, backgrounding, farming, feedlots and our state of the art meat processing and packaging facility.

We have several opportunities for experienced and career minded head stock persons looking for stability and an opportunity to broaden and develop their skills and agribusiness knowledge with an industry leader at these locations:

Barkly Downs Station, located 150 kilometres west of Mt Isa, with 2.3 million acres is our largest cattle breeding property running approximately 70 000 head of cattle and an onsite team of 26.

Babbiloora Station is a 250 000 acre property aggregation located 110km North-east of Augathella in the foothills of the Carnarvon Ranges. Operating as a mixed breeding and backgrounding property, Babbiloora runs approximately 22 000 head of cattle.

Niella, a 10 000 acre backgrounding and breeding is property is part of the Brindley Park group, located just 40km North east of Roma, running approximately 1 800 head of cattle.

Depending on the property type and size, our Head Stockpersons are generally responsible for leading & mentoring the stock crew in safely undertaking their day to day activities including:

- Mustering and drafting
- General livestock care and quiet handling
- Processing cattle
- Allocation of tasks to station hands
- General property care and maintenance
- Horse maintenance
- Ensuring safe work practices

We are seeking positive, reliable head stockpersons with a mature outlook and the fitness to safely undertake the physical aspects of these roles as well as:

- At least 12 months experience in a similar position within cattle industry
- Excellent horsemanship & (quiet) cattle handling skills and ability
- Strong communication and interpersonal skills
- Effective supervision and coaching
- Knowledge and commitment to animal health and welfare
- Understanding and commitment to workplace safety
- Sound judgement and ability to use their initiative
- Experience in general property maintenance.

Start the new year with a new career! ACBH and ACC offer diverse opportunities across our fully integrated vertical supply chain. You'll be rewarded with top conditions including above award wages, great team environment and air conditioned private single/couple accommodation included.
