

GENERAL FARM HAND/MACHINERY OPERATOR

Are you interested in joining an expanding
Seed Stock enterprise?

Clunie Range Angus Stud are looking for a General Farm Hand/Machinery Operator to join the team. Clunie Range is a large-scale family operation with strong values and commitment to producing consistent lines of sale bulls annually. We are currently seeking an enthusiastic farm hand to operate the feed mixer and other machinery required to maintain feed levels for all livestock.

Responsibilities will primarily include but not limited to:

- Cattle Feeding;
- Tractor Driving;
- Day-To-Day General Farm Duties;
- Maintenance As Arranged By Employer;
- Occasional Stock-Work.

If this position is of interest to you, please email your resume to angus@clunie.com.au, alternatively you can call Brett on 0427438318 to discuss this opportunity in detail.
