

Purchasing Officer

A well sought after opportunity has arisen for the right candidate to join an established, dynamic and professional protein procurement and supply chain Company.

Based in inner Sydney for over 10 years, this opportunity provides exposures across global and local markets within a leader in the Australian and New Zealand protein space. The company focuses on assured supply and competitive procurement programs to dedicated large multinational food organisations based in the FMCG sector.

The successful candidate will be part of a small dynamic team focused on achieving procurement cost and supply objectives for the customer by developing and maintaining multi-level business relationships across the Australian and New Zealand protein processing sector.

Applicants should possess essential skills including: Excellent written and oral communication, intermediate proficiency in MS Office, the ability to work well in a team environment and a keen eye for detail with a focus on providing creative solutions.

Previous experience within international supply chains and/or procurement within the Agriculture sector is an advantage.

This opportunity provides a platform for long term career development and exposure across a growing industry and supply chain, as well as the opportunity to work within an engaging, motivated and dynamic team in a unique open plan office.
